6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The rule is being filed as a new rule to replace a rescinded rule of the same number. The new rule eliminates the duplication of the citizenship requirements for children in foster care. The citizenship requirements can be found in rule 5101:2-33-29 of the Administrative Code. The rule clarifies what is expected to be in the foster care maintenance case record.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE,

then summarize the content of the rule:

The rule sets forth the requirements for the title IV-E foster care maintenance case record. Changes between this new rule and the rescinded rules include: listing all of the documentation that is necessary to be in the case record; and ensuring the foster care maintenance case record is separate from the child and family case record. The case record needs to be readily available upon request for any review of the documentation regarding a child's eligibility for title IV-E foster care maintenance reimbursement.
