- (1) The uniform statewide maximum amounts published annually in a "Family, Children and Adult Services Procedure Letter;" or
  - (2) The agreed upon foster care placement amount paid by the Title IV-E agency. The agreed upon foster care placement amount must be equal to the amount the private agency reimburses their foster parents for the maintenance of the children; and
  - (3) The agreed upon amount paid by the Title IV-E agency for other direct services which include: special diets, clothing, graduation expenses, liability insurance with respect to the child and reasonable travel expense for home visits provided these expenses are not included in the agreed upon foster care placement amount.

- ~~(K)~~(I) Each Title IV-E agency which registers Title IV-E cases on the ~~family and children services information system (FACSIS)~~ ODJFS statewide automated child welfare information system, receives a computer-generated JFS 01925, "Monthly FCM Facility Invoice" that lists active Title IV-E cases. The JFS 01925 will be mailed approximately five working days prior to the end of the month preceding the month when the FCM cost was incurred to the Title IV-E agency which entered the information ~~into FACSIS on the ODJFS statewide automated child welfare information system~~. The Title IV-E agency must provide placement and payment information on each child listed, add or delete cases as appropriate, and return the invoice to ODJFS no later than ten working days after the eligibility month. If a JFS 01925 is received after the cut-off date for a particular month, it will be processed during the next payment cycle.
- ~~(L)~~(J) ODJFS will issue payment in the form of a warrant payable to the Title IV-E agency which registers the Title IV-E cases ~~into FACSIS on the ODJFS statewide automated child welfare information system~~. The warrant amount will be calculated from the completed JFS 01925 at the applicable FFP, and will be mailed to the Title IV-E agency on the first working day of each month.
