APPENDIX A

Agreed Upon Procedures

Overview

For Private Child Placing Agencies (PCPA) and Private Noncustodial Agencies (PNA), an agreed upon procedures engagement is required to be performed by a Certified Public Accountant (CPA). The CPA will attest to the validity and accuracy of the private agency's cost report. The agreed upon procedures will be required to be conducted beginning with the cost report period of July 1, 2003 through June 30, 2004 and for each annual cost report thereafter. The cost report will incorporate IV-E costs and where applicable, ODADAS, ODMH, and "Other" agency costs not reimbursable under any of the preceding programs.

While completing the cost report, the following shall apply for private agencies:

- Agencies may use their discretion to report case management expenditures to various programs so long as the person performing the case management services is certified or licensed in accordance with IV-E, ODADAS, and/or ODMH requirements.
- 2) ODJFS will grant approval for an eighteen month audit if an agency that is currently on a calendar year (January 1, through December 31) elects to change to a state fiscal year (July 1, through June 30) and elects to have an eighteen month financial statement audit. [Note: The single Cost Report should still be prepared for the fiscal year July 1 through June 30].

While conducting the agreed upon procedures engagement the following shall apply for the CPA:

- 1) CPAs may use their discretion to create their own working papers (except for Summary of Proposed Cost and Statistical Adjustments).
- 2) CPAs, at their discretion, may rely on work papers completed by the firm from another engagement, (e.g., A-133 audit, financial statement audit, etc.) or other CPA's working papers that were completed during other engagements. If relying on other audit work, the CPA must document how the work relied upon meets the requirements contained in the Agreed Upon Procedures being performed, and the working papers must:
 - A) Cover the same audit period;
 - B) Be pertinent to specific areas of the "Agreed Upon Procedures" such as pulling a proportionate sample of expenditures and examining appropriate attributes, and;
 - C) Provide assurance of the accuracy and validity of the CPA's work.
- 3) Where applicable, to ensure compliance with Mental Health and ODADAS, CPAs shall refer to each program's respective compliance and audit guidelines.
- 4) In accordance with rule 5101:2-47-26.2 of the Ohio Administrative Code, CPAs, at their discretion, may request a waiver of certain procedures that are not applicable to the specific PCPA or PNA cost report being tested.
