AGENCIES (PNA)****Overview**

For Private Child Placing Agencies (PCPA) and Private Noncustodial Agencies (PNA), an agreed-upon procedures engagement is required to be performed by a Certified Public Accountant (CPA). STATISTICS

1.	Obtain a schedule for the engagement period listing by month the total paid child care days found on the agency's summary. Trace accumulated days to the total days shown on the Title IV-E Summary Schedule. Identify any variance(s) and document on the Agreed-Upon Procedures report.		
2.	Randomly select a month and compare the sum of the detail (census days per child) to that of the monthly summary. Identify any variance(s), and document on the Agreed-Upon Procedures report.		
3.	Using the test month above, select a sample of children to test census days (50% or 10, whichever is less). Pull the child's case records and prepare a schedule noting the child's name, admission and discharge dates, and total days the child was in the provider's care for our test month.		
3a.	Ascertain that the child was properly included in total days (as noted in the Statistics section of the cost report instructions) by tracing the child to daily census records for the test month. Report any variance(s) on the Schedule S-1.		
3b.	Verify either the day of admission or the day of departure is counted as the census day (not both). Report any variance(s) on the Schedule S-1.		
4.	Using the case record of the children from Step 3, review the ICCA, provider's billings (invoices) for that month, and the foster parent payments (verify compliance with the active license). Compare the census days to the days on the county payments. Compare the billings to the county payments for those children. Compare the ICCA foster parent maintenance payment to the cash disbursement journal. Identify any variance(s) and include in the Agreed-Upon Procedures report.
