This rule sets forth the standards for payment of training for foster caregivers and the procedures for reimbursement to public children services agencies (PCSAs), private child placing agencies (PCPAs) and private noncustodial agencies (PNAs) for such training. This rule as amended (Paragraph K) terminates payments to PCSAs for foster caregiver training and transfers the responsibility for providing the training to the Ohio child welfare training program (Paragraph K) at no direct cost to the PCSAs. It also will require that stipends to foster caregivers be paid at the time that they are certified rather than at the time that they receive the first child for placement. Changes were made throughout the rule to update language and provide procedures for transitioning to and implementation of the new payment standards.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase /decrease** either **revenues /expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will decrease expenditures.

\$1,000,000

This rule will decrease the state share of foster parent training costs by an estimated \$1 million annualized while preserving overall purchasing power by increasing federal participation in the cost. The state fund savings has already been incorporated into the departments's 04/05 appropriations.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

The GRF share is appropriated within ALI 600-427.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

Foster caregivers and private agencies will experience no new cost of compliance. Public agencies will experience a decrease in administrative costs due to the centralization of training.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
