rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

### **FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

0.00

This amended rule will not impact the agency's projected budget during the current biennium.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

Foster care residential facilities will experience an increase in expenditures due to current requirements in the Ohio Revised Code and the Ohio Administrative Code that require the services of a certified nurse to administer medications to children in foster care residential centers. To the extent that each center's administrative costs are dependent upon the number of children who may need medications to be administered by a certified nurse, costs associated with this rule cannot be estimated.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **Yes**

You must complete Part B of the Rule Summary and Fiscal Analysis in order to comply with Am. Sub. S.B. 33 of the 120th General Assembly.

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**

**Rule Summary and Fiscal Analysis (Part B)**

1. Does the Proposed rule have a fiscal effect on any of the following?

(a) School  
Districts

(b) Counties

(c) Townships

(d) Municipal  
Corporations

**No**

**Yes**

**No**

**No**

2. Please provide an estimate in dollars of the cost of compliance with the proposed rule for school districts, counties, townships, or municipal corporations. If you are unable to provide an estimate in dollars, please provide a written explanation of why it is not possible to provide such an estimate.

To the extent that a foster care residential facility is owned by a county, there will be a cost of compliance associated with the implementation of this rule. However, to the extent that each facility's administrative costs are dependant upon the number of children, the type of medication prescribed and the current staff already employed, the cost can not be estimated.

3. If the proposed rule is the result of a federal requirement, does the proposed rule exceed the scope and intent of the federal requirement? **No**

4. If the proposed rule exceeds the minimum necessary federal requirement, please provide an estimate of, and justification for, the excess costs that exceed the cost of the federal requirement. In particular, please provide an estimate of the excess costs that exceed the cost of the federal requirement for (a) school districts, (b) counties, (c) townships, and (d) municipal corporations.

*Not Applicable.*

5. Please provide a comprehensive cost estimate for the proposed rule that includes the procedure and method used for calculating the cost of compliance. This comprehensive cost estimate should identify all of the major cost categories including, but not limited to, (a) personnel costs, (b) new equipment or other capital costs, (c) operating costs, and (d) any indirect central service costs.

Foster care residential facilities will experience an increase in expenditures due to current requirements in the Ohio Revised Code and the Ohio Administrative Code that require the services of a certified nurse to administer medications to children in foster care residential centers. To the extent that each center's administrative costs

are dependent upon the number of children who may need medications to be administered by a certified nurse, costs associated with this rule cannot be estimated

(a) Personnel Costs

Foster care residential facilities will experience an increase in expenditures due to current requirements in the Ohio Revised Code and the Ohio Administrative Code that require the services of a certified nurse to administer medications to children in foster care residential centers. To the extent that each center's administrative costs are dependent upon the number of children who may need medications to be administered by a certified nurse, costs associated with this rule cannot be estimated.

(b) New Equipment or Other Capital Costs

To the extent that each center's administrative costs are dependent upon the number of children who may need medications to be administered by a certified nurse, costs associated with this rule cannot be estimated.

(d) Any Indirect Central Service Costs

Foster care residential facilities will experience an increase in expenditures due to current requirements in the Ohio Revised Code and the Ohio Administrative Code that require the services of a certified nurse to administer medications to children in foster care residential centers. To the extent that each center's administrative costs are dependent upon the number of children who may need medications to be administered by a certified nurse, costs associated with this rule cannot be estimated.

(e) Other Costs

Foster care residential facilities will experience an increase in expenditures due to current requirements in the Ohio Revised Code and the Ohio

Administrative Code that require the services of a certified nurse to administer medications to children in foster care residential centers. To the extent that each center's administrative costs are dependent upon the number of children who may need medications to be administered by a certified nurse, costs associated with this rule cannot be estimated.

6. Please provide a written explanation of the agency's and the local government's ability to pay for the new requirements imposed by the proposed rule.

The residential facility's ability to pay for the new requirement can not be accurately determined due to the potential for Medicaid reimbursement. The facility may be reimbursed through Medicaid or the individual dispensing the medication may be reimbursed through Medicaid if the proper Medicaid guidelines are met. Medicaid reimbursement may vary due to circumstances unique to each facility and the individual dispensing the medication. .

7. Please provide a statement on the proposed rule's impact on economic development.

There will not be an impact on economic development.
