This rule outlines the general provisions that govern Healthchek, Ohio's early and periodic screening, diagnostic, and treatment (EPSDT) benefit. This rule includes definitions of terms used in Chapter 5101:3-14 of the Administrative Code and identifies required services under the Healthchek benefit.

Changes to this rule include the following:

- 1) Title change to clarify that the Healthchek benefit is mandatory and is applicable to Medicaid recipients under twenty-one years of age. This information was previously spelled out in paragraph (A).
- 2) For consistency and clarity, references to "from birth through age twenty" have been changed to "under twenty-one years of age."
- 3) Paragraph (A) is expanded to include definitions for five additional terms, consistent definition with other Medicaid rules (not a change in policy).
- 4) The definition of "Healthchek" is amended to clarify that Healthchek is a benefit, not a program.
- 5) For emphasis and clarity, the concept of mandatory services is relocated to the title of the rule.
- 6) For emphasis and clarity, the concept of the applicability of this benefit to Medicaid recipients under the age of twenty-one has been retained.
- 7) Paragraph (B) is removed because it adds no clarity to the description of the Healthchek benefit.
- 8) The concept of the scope of services is relocated to new paragraphs (B) and (C) (not a change in policy).
- 9) The two subparagraphs under paragraph (C) are separated into paragraphs (B) and (C). Healthchek screening services are clarified and based on United States Code (not a change in policy).
