

5101:3-26-09 **Managed health care programs: reimbursement and financial responsibility.**

(A) Reimbursement.

- (1) MCPs will receive a monthly premium payment for each member. For the covered families and children category as described in paragraph (B)(1)(a) of rule 5101:3-26-02 of the Administrative Code, when MCPs provide or arrange maternity coverage, a separate payment will be made for each reimbursable delivery. These payments will be in effect for the duration of the agreement unless restricted in accordance with rule 5101:3-26-10 of the Administrative Code.
- (2) The premium rates are computed on an actuarially sound basis. This rate does not include any amount for risks assumed under any other existing or any previous agreement or contract. The premium rate will be reviewed at least once every two years and may be modified based on existing actuarial factors and experience.
- (3) Under full-risk arrangements the amounts paid in accordance with paragraph (A)(1) of this rule represent the total obligation of ODJFS to the MCP for the costs of medical care and services provided. Any savings remaining after costs have been deducted from the premium will be wholly retained by the MCP, except as provided in paragraph (A)(5) of this rule.
- (4) Under partial-risk arrangements, the MCP and ODJFS will partially share the risk for the cost of medical care and services provided. Any savings which accrue will also be shared.
- (5) ODJFS may establish financial incentive programs based on performance for MCPs.

(B) Fiscal responsibility requirements.

 - (c) Each MCP must submit to ODJFS a copy of its audited financial statement as compiled by an independent auditor and including the statement of reconciliation with statutory accounting principles as required by ODI in accordance with section 1751.321 of the Revised Code. The statement must be submitted annually to ODJFS.
- (6) The following items must be submitted by each MCP as so indicated:

The annual cost report must be audited by an independent licensed auditor and include a statement of reconciliation with statutory accounting principles. The annual cost report must also include a description of the methodology used to calculate incurred but not reported (IBNR) claims and an annual certification signed by an independent accredited actuary or licensed auditor that the methodology is valid. Such certification must be signed within the preceding twelve months and must be accompanied by a signed statement from the MCP that the methodology has not materially changed since the date the certification was signed by the independent actuary or auditor;
 - (b) Financial disclosure statements to be submitted in conjunction with cost report submissions as specified in paragraph (B)(5)(b) of this rule for MCPs. The MCP must also submit copies of annual financial statements for those entities who have an ownership interest totaling five percent or more in the MCP , or an indirect interest of five percent or more or a combination of direct and indirect interest equal to five

- (2) To the extent that the risk for such expenses is transferred to a subcontractor the MCP must provide proof of reinsurance coverage for that subcontractor in accordance with the provisions of this paragraph.
- (3) A copy of the fully-executed reinsurance agreement to provide the specified coverage must be submitted to ODJFS prior to the effective date of the provider agreement. No provider agreement will be signed in the absence of such documentation.
- (4) The annual deductible must be specified in the reinsurance agreement and must not exceed the amount specified by ODJFS.
- (5) The reinsurance coverage must remain in force during the term of the provider agreement with ODJFS and must contain adequate provisions for contract extensions.
- (6) Each MCP shall provide written notification to ODJFS, specifying the dates of admission, diagnoses, and estimates of the total claims incurred for all medicaid members for which reinsurance claims have been submitted. The MCP must provide such notification to ODJFS as part of the ODJFS "Medicaid Managed Care Plan Cost Report."

pending or unpaid claims.

- (9) Any reinsurance agreements which cover expenses to be paid for continued benefits in the event of insolvency must include medicaid members as a covered class.
- (10) Reinsurance requirements for partial-risk arrangements may differ from those specified in this paragraph.
