### **FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

0.0

This rule is not expected to increase or decrease revenues or expenditures for ODJFS.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

N/A

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

The industry may experience a cost of compliance if the facility fails to complete the preadmission process timely. Late detection of a facility's failure to complete the preadmission process in compliance with federal regulations and state rules results in facility liability until it is completed. Facility costs may range from \$150 to \$30,000 per incident according to the industry.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
