Rule Title/Tag Line

**Physicians and other eligible providers of physician services.****RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **5111.02**

5. Statute(s) the rule, as filed, amplifies or implements: **5111.01, 5111.02, 5111.021**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

To update policy governing the provision of physician services in the Medicaid program. This rule is replacing rescinded rule 5101:3-4-01.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule defines the term "physician," lists those eligible Medicaid providers that

can be providers of physician services, and sets forth certain reimbursement requirements and restrictions. Differences between this rule and the rule it replaces are that (1) the list of providers of physician services is expanded to include optometrists and (2) the entire text of the rule is reorganized and streamlined. Classifying services provided by optometrists as physician services will enable optometrists to benefit from certain provisions of the American Recovery and Reinvestment Act of 2009 that establish incentive payments for the adoption and meaningful use of certified electronic health record (EHR) technology.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates one or more dated references to a federal act. This question is not applicable to any dated incorporation by reference to a federal act because such reference is exempt from compliance with RC 121.71 to 121.74 in accordance with RC 121.75(C).

This rule incorporates one or more dated references to the Code of Federal Regulations (CFR). This question is not applicable to any dated incorporation by reference to the CFR because such reference is exempt from compliance with RC 121.71 to 121.74 in accordance with RC 121.75(D).

This rule incorporates one or more references to the Ohio Revised Code. This question is not applicable to any incorporation by reference to the Ohio Revised Code because such reference is exempt from compliance with RC 121.71 to 121.74 pursuant to RC 121.76(A)(1).

This rule incorporates one or more references to another rule or rules of the Ohio Administrative Code. This question is not applicable to any incorporation by reference to another OAC rule because such reference is exempt from compliance with RC 121.71 to 121.74 pursuant to RC 121.76(A)(3).

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Not Applicable

10. If the rule is being **rescinded** and incorporates a text or other material by

reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Paragraph (B)(7) of the rule has been expanded to make clear that optometrists are being reclassified as eligible providers of physician services for the sole purpose of demonstrating eligibility for incentive payments made in accordance with Section 4201 of the American Recovery and Reinvestment Act of 2009 (ARRA, Pub. L. No. 111-5) and the regulations published at 42 C.F.R. Part 495 (July 28, 2010).

These references to a federal act and to the Code of Federal Regulations are exempt from compliance with the provisions of RC 121.71 to 121.74 governing incorporation by reference, and statements to that effect have been added to item 8 of the Rule Summary and Fiscal Analysis.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

### **FISCAL ANALYSIS**
