Certified peer recovery supporter.**RULE SUMMARY**

1. Is the rule being filed for five year review (FYR)? **No**
2. Are you proposing this rule as a result of recent legislation? **No**
3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**
4. Statute(s) authorizing agency to adopt the rule: **5119.36**
5. Statute(s) the rule, as filed, amplifies or implements: **5119.36**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The Centers for Medicare and Medicaid Services (CMS) issued federal guidance in 2007 stating the Peer Services may only be paid for by Medicaid if the state has a certification process. Ohio Mental Health and Addiction Services has worked closely with Ohio Department of Medicaid to develop and submit a 1915(i) program as a state plan amendment which would add Peer Services to the menu of Medicaid Billable services for individuals in the behavioral health system. The rules in this package, the new 5122-29-15 and companion 5122-29-15.1, set forth a CMS compliant Peer service that will allow individuals to become certified to provide peer services and OhioMHAS certified providers to be reimbursed by

Medicaid for those services.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the requirements for individuals to become certified peer recovery supporters. Individuals must meet training, experience, and background check requirements; and they must submit an application to the Department that includes an ethics and conflict of interest form. There is also a waiver provision for those individuals who do not meet background check requirements.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. Five Year Review (FYR) Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

0.0

There will be fiscal impact to the Department. The Department is not charging individuals for the professional certifications and is administering the service as part of normal budgeted operations.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

Individuals will need to pursue training and complete documentation and testing requirements at their time and expense. The online training is provided by the Department free of charge and the test administered by the Department is given at several locations and times around the state, with a goal of eventually making the test administered online.

The background check is typically around \$35 from the Bureau of Criminal Identification and Investigation. Individuals are responsible for that cost. However, employers will usually pay for that as an expense of providing the peer service. The Department is committed to helping to provide grant funds to those individuals who

are pursuing peer recovery supporter certification while not employed with a service provider.
