

5122-29-24

Occupational therapy service.

(A) "Occupational therapy service" means the evaluation of learning and performance skills and analysis, selection and adaptation of activities for individuals whose abilities to cope with daily living are threatened or impaired by developmental deficiencies, the aging process, environmental deprivation, physical, psychological, or social injury or illness.

(B) Occupational therapy service shall:

- (1) Include assessment and treatment services regarding social, emotional, physical and cognitive functioning as appropriate to the functional level of the person served; and
- (2) Ensure linkages with other community services, as appropriate, to provide opportunities for performance of purposeful activities and/or normalizing occupations and other needed services.

~~(C) Occupational therapy services shall be provided by staff qualified according to paragraph (D) of this rule.~~

~~(D)~~(C) Occupational therapy service shall be provided and supervised by staff who are qualified according to rule 5122-29-30 of the Administrative Code. The following matrix identifies those individuals who are eligible to provide and supervise the occupational therapy service. Licensed, certified or registered individuals shall comply with current, applicable scope of practice and supervisory requirements identified by appropriate licensing, certifying or registering bodies:
