5. Statute(s) the rule, as filed, amplifies or implements: **5119.36**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

As part of the merger of the Ohio Department of Mental Health (ODMH) and the Ohio Department Alcohol and Drug Addiction Services (ODADAS), the Department of Mental Health and Addiction Services (MHAS) is combining and updating the definitions of services provided by certified service providers. As part of this process MHAS has focused on updating content to be consistent with current practice and wherever practical remove the distinctions between mental health (MH) and alcohol and other drug services (AOD)/substance use disorder (SUD). This work is also being done in conjunction with the Ohio Department of Medicaid Behavioral Health Redesign project, and changes to service rules have been made

to remain consistent with the Redesign.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule replaces the existing methods for specifying eligible providers of services. Precise specifications in grid or list formats have been removed, and providers are given the authority to provide services within the scope of their practice as licensed or certified by appropriate bodies. There remains a designation for those individuals who have experience or training outside of the licensed or certified professionals, and the Qualified Behavioral Health Specialist will be available for those individuals.

This rule is being rescinded and filed as new due to the amount of changes in the text.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each

specific paragraph of the rule that has been modified:

*Not Applicable.*

12. Five Year Review (FYR) Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

### **FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

0.0

There is no impact on revenues or expenditures.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

The new rule greatly simplifies the structure for determining provider eligibility, but does not change eligibility standards by itself. Providers are eligible to practice within their professional scope of practice. There should be no new cost of compliance, and there will be easing of administrative burdens by eliminating the frequently out-of-date chart used previously.

municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
