1. Is the rule being filed for five year review (FYR)? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**
4. Statute(s) authorizing agency to adopt the rule: **5119.34**
5. Statute(s) the rule, as filed, amplifies or implements: **5119.34**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The Department of Mental Health and Addiction Services (Department) has historically regulated residential facilities which were operated for persons with mental disabilities. The Department has also been given the regulatory authority of two other types of facilities, adult foster homes and adult care facilities, which were previously regulated by other agencies. Changes to the statutory language regarding residential facilities occurred in H.B. 59 of the 130th General Assembly, and the manner in which facilities were categorized has been changed. Until now there have been three separate O.A.C. chapters regulating residential facilities under the Department's authority. This rule action brings all rules regarding residential

facilities under the Department's regulating authority up to date with current statutory authority and standardizes requirements across all facilities as much as possible. Going forward O.A.C. Chapter 5122-30 will be the chapter containing all residential facility rules. O.A.C. Chapters 5122-33 and 5122-35 are being rescinded in their entirety as part of this action.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth the recordkeeping requirements for facilities. Required records include medical records, diagnoses, personal care service plans, and notations of provisions of services. The facility must also keep records regarding employees and required inspections and tests. It is being rescinded and filed as new as the content is over fifty percent changed.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
