1. Is the rule being filed for five year review (FYR)? **No**
2. Are you proposing this rule as a result of recent legislation? **No**
3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

5. Statute(s) the rule, as filed, amplifies or implements: **5164.02**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

As a result of five-year review, this rule is proposed for adoption to replace rescinded rule 5160-4-02.1.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule sets forth policies concerning services for which coverage and payment are determined on a case-by-case basis. It reorganizes and clarifies the provisions from rule 5160-4-02.1 for improved readability and ease of understanding. Like rule 5160-4-02.1, it requires the submission of documentation along with a claim for by-report procedures, services, and supplies. Unlike rule 5160-4-02.1, it does not specify exactly which documents are to be submitted; instead, because a variety of supporting

documents may be acceptable, it includes a non-exhaustive list of examples (e.g., operative reports, clinical assessments, or other medical records).

The policy embodied in the rule is being relocated to Chapter 5160-1 of the Ohio Administrative Code (General Medicaid provider policies) because it applies to a broader range of procedures, services, and supplies than are addressed in Chapter 5160-4 (Medical/surgical services).

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates one or more references to another rule or rules of the Ohio Administrative Code. This question is not applicable to any incorporation by reference to another OAC rule because such reference is exempt from compliance with RC 121.71 to 121.74 pursuant to RC 121.76(A)(3).

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Not Applicable.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

12. Five Year Review (FYR) Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for

Amended rules or a date not to exceed 5 years from the review date for No Change rules.
