2. Are you proposing this rule as a result of recent legislation? **No**
3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**
4. Statute(s) authorizing agency to adopt the rule: **5164.02**
5. Statute(s) the rule, as filed, amplifies or implements: **5164.02**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being proposed for amendment to update policy related to the administration of the Medicaid program.
7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The appendix to the rule is being updated to incorporate payment changes for

services provided in dialysis clinics, community mental health centers, and facilities certified by the Ohio Department of Mental Health and Addiction Services (ODMHAS).

Another proposed amendment is incorporating the 2017 Current Procedural Terminology (CPT) and Healthcare Common Procedure Coding System (HCPCS) coding updates into this appendix. These codes were previously published on a separate table and were effective 01/01/2017.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates one or more references to another rule or rules of the Ohio Administrative Code. This question is not applicable to any incorporation by reference to another OAC rule because such reference is exempt from compliance with RC 121.71 to 121.74 pursuant to RC 121.76(A)(3).

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Not applicable.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

In the revise file, the CMH/ALCRX tab in the appendix to the rule was updated to specify payment rates for behavioral health services based on the practitioner performing the service.

The refiling of this rule is to remove the payment rates for behavioral health

services provided in community mental health centers and substance use disorder treatment facilities. The payment rates for these services were located in the CMH/ALCRX tab in the appendix to this rule.

This refiling also removes the end stage renal disease rates from the appendix to this rule, as these rates have been incorporated into a separate payment table. The refiling of this rule has no additional impact to the biennium budget.

12. Five Year Review (FYR) Date: **1/1/2022**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
