## II. Fiscal Analysis

11. **As a result of this proposed rule, please estimate the increase / decrease in revenues or expenditures affecting this agency, or the state generally, in the current biennium or future years. If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.**

This will increase expenditures.

\$50,000

Behavioral health management and integration services are new services that will be provided to Medicaid eligible individuals with a diagnosed psychiatric disorder that requires behavioral health care assessment and treatment. Since these are new services there will be an increase in expenditures by \$50,000 over the remainder of the biennium budget. Currently, there is a limited number of practices that would be able to provide and receive payment for providing behavioral health management

services. The fiscal impact to the budget may vary in future fiscal years based on both the number of qualified participating providers and the frequency of providing the new services.
