Billing Codes G0299 for home health nursing services provided by a registered nurse (RN) and G0300 for home health nursing services provided by a licensed practical nurse (LPN) will replace G0154 Home Health Nursing Code in Appendix 1 and 2(Appendix A and B). OAC 5160-12-05 Paragraph C was amended to specify the amount of reimbursement for each of the home health service visits (i.e., a home health aide, home health nursing, and skilled therapy visit). Paragraph F changed to reflect that a visit conducted by an RN for the provision of home health nursing services must be billed to Ohio medicaid using the billing code found in appendix A to this rule. A visit conducted by an LPN for the provision of home health nursing services must be billed to Ohio medicaid using the billing code found in appendix A to this rule. Appendices 1 and 2 were modified to update the billing codes and to remove modifiers that are currently used to distinguish between nursing visits completed by an RN and LPN (i.e., TD and TE). Appendix 2 (Appendix B) was also amended to denote that only an RN under billing code G0299 may use the U1 modifier for the purpose of identifying home infusion therapy services provided during a home health nursing visit.
