Rule 5160-5-01, "Dental services," sets forth Medicaid coverage and payment policies for dental services. It includes two appendices, one that lays out coverage of services by category and one that lists maximum payment amounts by the procedure.

The 2019 American Dental Association (ADA) Current Dental Terminology (CDT) code set is being adopted and Appendix B which contains a partial list of covered and non-covered CDT procedure codes is being rescinded.

When this rule is amended, ADA CDT procedure codes for both covered and non-covered services will be removed from this rule and posted elsewhere as they were prior to 2016. The list of CDT procedure codes, maximum fees and effective dates of coverage will be added to Appendix DD of 5160-1-60 "Medicaid payment" and will be posted on the Fees Schedules and Rates page of the Ohio Medicaid web site, <http://medicaid.ohio.gov/providers/FeeScheduleAndRates.aspx> (or its successor).

In conjunction with the amendment of OAC rule 5160-22-01, ambulatory surgery centers (ASC) are being added as a service type for payment of dental services in paragraph (A).

8. **Does the rule incorporate material by reference? Yes**
9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**

This rule incorporates one or more references to another rule or rules of the Ohio Administrative Code. This question is not applicable to any incorporation by reference to another OAC rule because such reference is exempt from compliance with RC 121.71 to 121.74 pursuant to RC 121.76(A)(3).

This rule incorporates one or more dated references to the Code of Federal Regulations (CFR). This question is not applicable to any dated incorporation by reference to the CFR because such reference is exempt from compliance with RC 121.71 to 121.74 in accordance with RC 121.75(D).

This rule (in an appendix) incorporates one or more dated references to an ODM form or forms. Each form, in accordance with RC 121.75(E), is generally available through the ODM web site (<http://medicaid.ohio.gov>) to persons affected by this rule.

Not applicable.

- 12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

The cost of compliance lies in the time needed to complete documentation of medical necessity and the services provided. Completing documentation of medical necessity and the services provided takes between five and thirty minutes of provider staff time. This estimate is based on the personal experience of practicing dentists, including the ODM medical technical advisors (MTAs). The wage cost depends on who performs the task. The median statewide hourly wage for a billing clerk, according to Labor Market Information (LMI) data published by the Ohio Department of Job and Family Services, is \$16.10; for a dentist, it is \$87.21. Adding 30% for fringe benefits brings these figures to \$20.93 and \$113.37. So generating a necessary document costs between \$1.75 (five minutes at \$20.93 per hour) and \$56.69 (thirty minutes at \$113.37 per hour).

- 13. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No**
- 14. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No**
