(4) "Resolution" means a final decision is made by the plan and the decision is communicated to the member.

(5) "Notice of action (NOA)" is the written notice the plan must provide to members when a plan action has occurred or will occur.

(6) "Plan" is a MyCare Ohio plan.

(B) Each plan must have written policies and procedures for an appeal and grievance

system for members, in compliance with the requirements of this rule. The policies and procedures must be made available for review by ODM, and must include the following:

- (1) A process by which members may file grievances with the plan, in compliance with paragraph (H) of this rule;
- (2) A process by which members may file appeals with the plan, in compliance with paragraphs (C) to (G) of this rule; and
- (3) A process by which members may access the state's hearing system through the Ohio department of job and family services (ODJFS), in compliance with paragraph (I) of this rule.

(C) Notice of action (NOA) by a MyCare Ohio plan.

- (2) The NOA must explain:
 - (a) The action the plan has taken or intends to take;
 - (b) The reasons for the action;
 - (c) The member's or authorized representative's right to file an appeal to the plan;
 - (d) If applicable, the member's right to request a state hearing through the state's hearing system;
 - (e) Procedures for exercising the member's rights to appeal or grieve the action;

- (3) The following language and format requirements apply to a NOA issued by a plan:
- (a) It must be provided in a manner and format that may be easily understood;
 - (b) When directed by ODM, it must be printed in the prevalent non-English languages of members in the plan's service area; and
 - (c) It must be available in alternative formats in an appropriate manner that takes into consideration the special needs of members, including but not limited to members who are visually limited and members who have limited reading proficiency.

 - (ii) Under the circumstances set forth in 42 C.F.R. 431.213 (October 1, 2013), the plan must give notice on or before the date of action.

- (e) For untimely prior authorization, appeal or grievance resolution, the plan must give notice simultaneously with the plan becoming aware of the action. Service authorization decisions not reached within the timeframes specified in rules 5160-26-03.1 and 5160-58-01.1 of the Administrative Code constitute a denial and are thus adverse actions. Notice must be given on the date that the authorization decision timeframe expires.

(D) Standard appeal to a MyCare Ohio plan.

- (1) A member, provider, or a member's authorized representative may file an appeal orally or in writing within ninety days from the date on the NOA. The ninety day period begins on the day after the mailing date of the NOA. An oral filing must be followed with a written appeal. The plan must:
 - (a) Assist members that file an oral appeal by immediately converting an oral filing to a written record;
 - (b) Ensure that oral filings are treated as appeals to establish the earliest possible filing date for the appeal; and
 - (c) Consider the date of the oral filing as the filing date if the member follows the oral filing with a written appeal.
- (2) Any provider acting on the member's behalf must have the member's written consent to file an appeal. The plan must begin processing the appeal pending receipt of the written consent.
- (3) The plan must acknowledge receipt of each appeal to the individual filing the appeal. At a minimum, acknowledgment must be made in the same manner that the appeal was filed. If an appeal is filed in writing, written

acknowledgment must be made by the plan within three working days of the receipt of the appeal.

- (4) The plan must provide members a reasonable opportunity to present evidence and allegations of fact or law, in person as well as in writing. The member and/or member's authorized representative must be allowed to examine the case file, including medical records and any other documents and records, before and during the appeals process.
- (5) The plan must consider the member, member's authorized representative, or estate representative of a deceased member as parties to the appeal.

- (7) The plan must provide written notice to the parties of the resolution including, at a minimum, the decision and date of the resolution.
- (8) For appeal decisions not resolved wholly in the member's favor, the written notice to the member must also include information regarding:
 - (a) Oral interpretation that is available for any language;
 - (b) Written translation that is available in prevalent languages as applicable;

 - (d) How to access the plan's interpretation and translation services as well as alternative formats that can be provided by the plan;
 - (e) The right to request a state hearing through the state's hearing system; and
 - (f) How to request a state hearing, and if applicable:

(E) Expedited appeal to a MyCare Ohio plan.

- (1) Each plan must establish and maintain an expedited review process to resolve appeals when the plan determines, or the provider indicates in making the request on the member's behalf or supporting the member's request, that taking the time for a standard resolution could seriously jeopardize the member's life or health or ability to attain, maintain, or regain maximum function.
- (2) In utilizing an expedited appeal process, the plan must comply with the standard appeal process specified in paragraph (E) of this rule, except the plan must:
 - (a) Not require that an oral filing be followed with a written, signed appeal;
 - (b) Make a determination within one working day of the appeal request whether to expedite the appeal resolution;
 - (c) Make reasonable efforts to provide prompt oral notification to the member of the decision to expedite or not expedite the appeal resolution;
 - (d) Inform the member of the limited time available for the member to present evidence and allegations of fact or law in person or in writing;
 - (e) Resolve the appeal as expeditiously as the member's health condition requires but the resolution timeframe must not exceed seventy-two hours from receipt of the appeal unless the resolution timeframe is extended as outlined in paragraph (F) of this rule;
 - (f) Make reasonable efforts to provide oral notice of the appeal resolution in addition to the required written notification;

- (g) Ensure that punitive action is not taken against a provider who requests an expedited resolution or supports a member's appeal; and
 - (h) Notify ODM within one working day of any appeal that meets the criteria for expedited resolution as specified by ODM.
 - (3) If the plan denies the request for expedited resolution of an appeal, the plan must:
 - (a) Transfer the appeal to the standard resolution timeframe of fifteen calendar days from the date the appeal was received unless the resolution timeframe is extended as outlined in paragraph (F) of this rule; and
 - (b) Provide the member written notice of the denial to expedite the resolution within two calendar days of the receipt of the appeal, including information that the member can grieve the decision.
- (F) Appeal resolution extensions for an appeal to a MyCare Ohio plan.
- (1) A member may request that the plan extend the timeframe to resolve a standard or expedited appeal up to fourteen calendar days.
 - (2) A plan may request that the timeframe to resolve a standard or expedited appeal be extended up to fourteen calendar days. The plan must seek such an extension from ODM prior to the expiration of the regular appeal resolution timeframe and its request must be supported by documentation that the extension is in the member's best interest. If ODM approves the extension, the plan must immediately give the member written notice of the reason for the extension and the date that a decision must be made.
 - (3) The plan must maintain documentation of all requests for extension.
- (G) Continuation of benefits for an appeal to a MyCare Ohio plan.
- (1) The plan must continue a member's benefits when an appeal has been filed if the following conditions are met:
 - (a) The member or authorized representative files the appeal on or before the later of the following:

- (i) Within fifteen calendar days of the plan mailing the NOA; or
 - (ii) The intended effective date of the plan's proposed action.
 - (b) The appeal involves the termination, suspension, or reduction of services prior to the member receiving the previously authorized course of treatment;
 - (c) The services were ordered by an authorized provider;
 - (d) The authorization period has not expired; and
 - (e) The member requests the continuation of benefits.
- (2) If the plan continues or reinstates the member's benefits while the appeal is pending, the benefits must be continued until one of the following occurs:
- (a) The member withdraws the appeal;
 - (b) Fifteen calendar days pass following the mailing date of the MyCare Ohio plan's notice to the member of an adverse appeal decision unless the member, within the fifteen-day timeframe, requests a state hearing ~~with continuation of benefits~~ and therefore the benefits must be continued as specified in rule 5101:6-4-01 of the Administrative Code.
 - (c) A state hearing regarding the reduction, suspension or termination of the benefits is decided adverse to the member; or
 - (d) The initial time period for the authorization expires or the authorization service limits are met.
- (3) At the discretion of ODM, the plan may recover the cost of the continuation of services furnished to the member while the appeal was pending if the final resolution of the appeal upholds the plan's original action.

(H) Grievances to a MyCare Ohio plan.

- (1) A member or authorized representative can file a grievance. An authorized representative must have the member's written consent to file a grievance on the member's behalf.

- (2) Grievances may be filed only with the plan, orally or in writing, within ninety calendar days of the date that the member became aware of the issue.
- (3) The plan must acknowledge the receipt of each grievance to the individual filing the grievance. Oral acknowledgment is acceptable. However, if the grievance is filed in writing, written acknowledgment must be made within three working days of receipt of the grievance.
- (4) The plan must review and resolve all grievances as expeditiously as the member's health condition requires. Grievance resolutions including member notification must meet the following timeframes:
 - (a) Within two working days of receipt if the grievance is regarding access to services.
 - (b) Within thirty calendar days of receipt for all other grievances that are not regarding access to services.
- (5) At a minimum, the plan must provide oral notification to the member of a grievance resolution. However, if the plan is unable to speak directly with the member and/or the resolution includes information that must be confirmed in writing, the resolution must be provided in writing simultaneously with the plan's decision.
- (6) If the plan's resolution to a grievance is to affirm the denial, reduction, suspension, or termination of a service, denial of a provider pursuant to paragraph (A)(1)(d) of this rule, or billing of a member due to the plan's denial of payment for that service, the plan must notify the member of his or her right to request a state hearing as specified in paragraph (I) of this rule, if the member has not previously been notified.
- (7) If the plan's resolution to a grievance is to affirm the denial, reduction, suspension or termination of a service or denial of a provider pursuant to paragraph (A)(1)(d) of this rule, the plan must notify the member of his or her right to request an appeal to the plan as specified in paragraph (C)(4) of this rule, if the member has not previously been notified.
