

901:1-24-02

Voluntary animal damage control plan.

(A) A voluntary animal damage control plan shall include, but is not limited to:

- (1) Cultural practices such as animal husbandry.
- (2) Exclusion devices, fencing and other habitat modification.
- (3) Animal behavior modification.
- (4) Removal of offending animals.
- (5) Local predator population reduction.

(B) An animal damage control plan agreement shall be submitted on the form provided by the department of agriculture (appendix A). The plan shall include specific management and predator reduction techniques and recommendations made by ODNR, USDA, APHIS-WS or another officer or agent authorized by the department of agriculture.

(C) Failure to implement an agreement within thirty days of the signing may result in the denial of any and all future claims submitted for payment.
