

901:12-3-05

Health.

- (A) Prescription and extra-label medications must only be obtained and administered to livestock with the advice and involvement of a licensed veterinarian in the context of a valid Veterinary-Client-Patient-Relationship (VCPR).
- (B) When medication is indicated for livestock, label instructions for route of administration, dosage, storage and withdrawal times must be followed.
- (C) All practices and procedures pertaining to health/medical treatment of livestock must be done humanely.
- (D) Livestock must be monitored regularly for evidence of disease, injury and parasites and corrective measures must be taken when evidence is found.
- (E) The responsible party must be able to, as required by the condition of the animal, separate sick animals from healthy livestock.
- (F) Dead livestock must be disposed of pursuant to 941.14 of the Revised Code.
