

TO BE RESCINDED

901:3-1-02

Sanitary regulations for bakeries.

- (A) Where men and women are employed all bakeries shall have separate toilet rooms for men and women, separate and apart from the work rooms, and no toilet room shall be within or connected directly with a work room, either by a door or window or other opening. The floor of the toilet room shall be of concrete, tile laid in cement mortar, or other non-absorbent material and shall be kept clean at all times. Toilet rooms shall be furnished with outside ventilating pipes, or with windows in the external wall of the building. Lavatories and wash rooms shall be adjacent to toilet rooms and shall be supplied with soap, running water and individual towels, and shall be maintained in a sanitary condition. Work room employees, before beginning work and after visiting toilet rooms, shall wash their hands and arms thoroughly in clean water.
- (B) In connection with every factory a suitable room or rooms shall be provided for the changing and hanging of wearing apparel of the workers or employees, which shall be separate and apart from the work, storage, sales and toilet rooms, and shall be kept in a clean and sanitary condition.
- (C) No person shall live or sleep in any building used as a bakery unless the bakery or work room of such bakery is separated by impervious walls without doors or windows or other openings from the parts of the building used for living or sleeping purposes.
- (D) All work room employees shall be clean in person at all times and shall wear clean, washable clothing and caps. The use of tobacco in work rooms is prohibited.
- (E) No motor vehicles, cows, horses or other animals or fowls shall be stabled or kept in or adjacent to any building used for a bakery unless the bakery is separated from the places where the motor vehicles, horses, cows and other animals or fowls are stabled or kept by impervious walls without doors or windows or other openings.
