

TO BE RESCINDED

901:3-1-04

Sanitary regulations for bakeries.

- (A) All equipment used in the handling, preparation or distribution of bakery products or their ingredients and the boxes, baskets and the interior of vehicles and other receptacles in which bakery products are transported, shall be kept by the owner or operator of the bakery or the carriers or distributors of said product, in a clean and sanitary condition, and at all times free from dirt, dust, flies, insects and other contaminating matter. Shipping baskets and other containers for transporting bakery products shall be kept clean and shall be used for no other purpose than the distribution of bakery products. All shipping baskets, when packed with bakery products for transportation, shall be lined with clean paper, properly ventilated and securely fastened. All bakery products delivered from wagon, truck or other vehicles shall be delivered in clean baskets lined with clean paper and shall not come in contact with the clothing of the person who delivers the same. All wagons, trucks or other vehicles shall be so constructed as to prevent dust and dirt from coming in contact with such products.
- (B) All show cases, shelves and other places where unwrapped bakery products are sold or exposed for sale shall be kept by the dealer covered, properly ventilated, adequately protected from dust, flies and other contaminating matter, and shall at all times be maintained in a clean and wholesome condition.
- (C) Baked goods, candies, confections, soda fountain syrups, crushed fruits, nut meats, frozen desserts, whipped cream, prepared meats, and all other foods not ordinarily washed before eating, which are sold or offered for sale, shall not be exposed to contamination from flies, dust, dirt etc. Such products enumerated above, when not wrapped, shall at all times be kept tightly covered, either in glass jars, cases or boxes.
- (D) Boxes or other permanent receptacles or containers for the storing, receiving or handling of bakery products shall be so placed and constructed as to be beyond the reach of contamination from streets, alleys and sidewalks, or from animals, and shall be kept by the dealer clean and sanitary.
