

901:3-45-05

**Bulk Containers.**

Barrels, drums, and other similar bulk containers used to store or ship maple syrup shall:

- (A) Be in good condition and constructed to provide an easily cleanable surface;
- (B) Be cleaned and sanitized prior to filling, and free of water at the time of filling; and
- (C) Not be used if it has:
  - (1) Previously contained a chemical or other hazardous material including lead or lead-based paint,
  - (2) A food-contact surface that is rusted, or
  - (3) Lead solder on the food-contact surface.
