#### I. Rule Summary

1. Is this a five year rule review? Yes
  - A. What is the rule's five year review date? 1/31/2024 and 01/31/2029
2. Is this rule the result of recent legislation? No
3. What statute is this rule being promulgated under? 119.03
4. What statute(s) grant rule writing authority? 3715.024
5. What statute(s) does the rule implement or amplify? 3715.024, 3715.59
6. What are the reasons for proposing the rule?

This rule has been reviewed in accordance with the five year rule review process.

7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

OAC 901:3-46-06 sets forth the packing and fill requirements for tree syrup, sorghum, and honey. This rule is being submitted as a no change.

8. Does the rule incorporate material by reference? No

9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.

*Not Applicable*

10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.

*Not Applicable*

## **II. Fiscal Analysis**

11. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.

This will have no impact on revenues or expenditures.

0.00

This rule has been reviewed in accordance with the five year rule review process.

12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

All maple/tree syrup, sorghum, and honey production operations are prohibited from producing adulterated products. Further, maple/tree syrup, sorghum, and honey production operations may subject themselves to voluntary inspection. Through voluntary registration individuals subject themselves to additional requirements.

13. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No

14. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No

15. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.

There is no cost for this registration.

## **III. Common Sense Initiative (CSI) Questions**

**16. Was this rule filed with the Common Sense Initiative Office? Yes**

**17. Does this rule have an adverse impact on business? Yes**

**A. Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? No**

This is a voluntary program and if the processor chooses to register there is no cost for registration.

**B. Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? Yes**

Maple/tree syrup, sorghum, and honey production operations which produce foods that are misbranded or adulterated would be subject to embargo and destruction of their products.

**C. Does this rule require specific expenditures or the report of information as a condition of compliance? No**

**D. Is it likely that the rule will directly reduce the revenue or increase the expenses of the lines of business of which it will apply or applies? No**
