

901:3-46-07

Bulk Containers.

Barrels, drums, and other similar bulk containers used to store or ship maple syrup, honey, or sorghum shall:

(A) Be in good condition and constructed to provide an easily cleanable surface;

(B) Be cleaned and sanitized prior to filling, and free of water at the time of filling; and

(C) Not be used if it has:

(1) Previously contained a chemical or other hazardous material including lead or lead based paint,

(2) A food-contact surface that is rusted, or

(3) Lead solder on the food-contact surface.
