 - A. **What is the rule's five year review date?** 3/20/2022
2. **Is this rule the result of recent legislation?** No
3. **What statute is this rule being promulgated under?** 119.03
4. **What statute(s) grant rule writing authority?** 3717.221
5. **What statute(s) does the rule implement or amplify?** 3717.221
6. **What are the reasons for proposing the rule?**

The rules contained in Chapter 901:3-1 of the Ohio Administrative Code mirror the regulations found in 21 CFR 110. Effective September 17, 2018, these provisions will be rescinded from the CFR. The regulations will be replaced by 21 CFR 117. These standards were adopted in the OAC in October of 2017. Upon the rescission of 21 CFR 110, the rules found in 901:3-1 shall no longer be necessary. Therefore, the rules in OAC Chapter 901:3-1 are proposed to be rescinded.

This rule is being amended to amend all code references from 901:3-1 to read 901:3-17.

7. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

This rule outlines the minimum requirements for food offered for sale at farm markets, farmers' markets, and farm product auctions. The rule is being amended to amend all code references from 901:3-1 to read 901:3-17.

8. **Does the rule incorporate material by reference? Yes**
9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**

Pursuant to section 121.76 of the Revised Code, the code sections incorporated into this rule are exempt from compliance with sections 121.71 to 121.74 of the Revised Code.

10. **If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

Not Applicable

II. Fiscal Analysis

11. **As a result of this proposed rule, please estimate the increase / decrease in revenues or expenditures affecting this agency, or the state generally, in the current biennium or future years. If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.**

This will have no impact on revenues or expenditures.

0.00

Not applicable.

12. **What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

There is no direct cost of compliance with this code reference change. The rules in OAC Chapter 901:3-17 have already been adopted and are currently in effect. As stated previously in the adoption of OAC Chapter 901:3-17, The adverse impact from the adoption of OAC 901:3-17 is difficult to quantify. The amount of work required depends greatly on the product, the amount of product produced, and the size and layout of the facility. Many manufacturer's already have a food safety plan in place.

Smaller manufacturers may choose to draft the food safety plan themselves and thereby reduce costs – or – hire an outside company to complete the necessary plan.

13. **Does the rule increase local government costs? (If yes, you must complete an RSFA Part B).** No
14. **Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C).** No
