

901:5-1-04

Requirements for sales of fertilizer from bulk storage facilities.

- (A) No person shall distribute any fertilizer or fertilizer mixture from any bulk storage facility unless such facility provides access for sampling each fertilizer or mixture of fertilizers stored therein.
- (B) No person shall distribute a mixture of fertilizer as defined in section ~~905.31(F)~~905.31 of the Revised Code from any bulk storage facility to more than one consumer unless he:
 - (1) Labels the storage facility to show the grade of the mixture;
 - (2) Shows the grade of the mixture on each invoice for shipments therefrom;
- (C) Each manufacturer or distributor of fertilizer or fertilizer mixtures shall include the date of delivery on each shipping invoice or delivery ticket for each shipment of bulk fertilizer to a non-licensee.
