I. Rule Summary

1. Is this a five year rule review? Yes
 - A. What is the rule's five year review date? 10/17/2018
2. Is this rule the result of recent legislation? No
3. What statute is this rule being promulgated under? 119.03
4. What statute(s) grant rule writing authority? 921.16
5. What statute(s) does the rule implement or amplify? 921.14
6. What are the reasons for proposing the rule?

This rule is up for five year rule review.

7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

OAC 901:5-11-10 has been amended to relieve recording unnecessary data during pesticide applications. The current rule separates recordkeeping requirements based on the area where an applicator was applying pesticides. The breakdown resulted in situations where applicators were required to record wind direction and velocity

during applications that could not be impacted by wind direction or velocity. The proposed rule seeks to correct this unnecessary recordkeeping requirement.

- 8. Does the rule incorporate material by reference? Yes**
- 9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**
Pursuant to section 121.76 of the Revised Code, the code sections incorporated into this rule are exempt from compliance with sections 121.71 to 121.74 of the Revised Code.
- 10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**
