

901:5-58-02**Definitions.**

As used in Chapter 901:5-58 of the Administrative Code:

(A) "Bark" means the natural bark of a tree, including the ingrown bark around the knots and bark pockets between rings of annual growth and an additional one-half inch of wood, including the vascular cambium.

(B) "Compliance agreement" means a written agreement between the Ohio Department of Agriculture and an individual that provides conditions under which regulated articles from the regulated area may qualify for entry into the State of Ohio.

(C) "Firewood" means wood, either split or unsplit, in sections less than four feet (4') in length.

(D) "Pest" means the insect known as walnut twig beetle, *Pityophthorus juglandis* or the associated fungal pathogen known as thousand cankers disease, *Geosmithia morbida* or other causal agent, in any living stage of development.

(E) "Regulated area" means the portion of the quarantined state to which the application of this quarantine is limited as defined and in 901:5-58-04.

(F) "Walnut" means all *Juglans* spp.
