13. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

All operators must obtain a license prior to operating a concession which cost \$70 annually. All operators must abide by the specific rules of play for each concession type. All operators must have a sign conspicuously posted which complies with the requirements of OCA 901:9-2-05. The cost of the sign will depend on the type of game but will dramatically fluctuate by certain design choices selected by the operator and the vendor they utilize to create the sign. As a minimum, the Department believes that an operator can comply with the regulations for a minimum of \$30. This sign can be utilized for a significant number of years.

14. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No

15. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No
16. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.

The revenue from the licensing fee is used to fund the administration of the program.

III. Common Sense Initiative (CSI) Questions

17. Was this rule filed with the Common Sense Initiative Office? Yes
18. Does this rule have an adverse impact on business? Yes
 - A. Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? Yes

All operators must obtain a license prior to operating a concession which cost \$70 annually.
 - B. Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? Yes

All operators must abide by the specific rules of play for each concession type. All operators must have a sign conspicuously posted which complies with the requirements of OAC 901:9-2-05. Failure to comply could result in civil or criminal action being taken against the operator.
 - C. Does this rule require specific expenditures or the report of information as a condition of compliance? No
 - D. Is it likely that the rule will directly reduce the revenue or increase the expenses of the lines of business of which it will apply or applies? No

player and any prospective player and at no time be obstructed by any object contained in the unit.

C. If you are not removing existing regulatory restrictions from this rule, please list the rule number(s) from which you are removing restrictions.

D. Please justify the adoption of the new regulatory restriction(s).

Pursuant to ORC Chapter 1711, it is the Department's regulatory mission to protect the public from dishonest and fraudulent dealings with regards to games and concessions. The Department's purpose for these regulations is to ensure continued public trust in the use of concessions by setting minimum operating standards that establish fair play for all operators in Ohio. The regulatory restriction being added helps clarify the rule as to improve the understanding of what is being required.
