13. **What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

All operators must obtain a license prior to operating a concession which cost \$70 annually. All operators must abide by the specific rules of play for each concession type. All operators must have a sign conspicuously posted which complies with the requirements of OCA 901:9-2-05. The cost of the sign will depend on the type of game but will dramatically fluctuate by certain design choices selected by the operator and the vendor they utilize to create the sign. As a minimum, the Department believes that an operator can comply with the regulations for a minimum of \$30. This sign can be utilized for a significant number of years.

14. **Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No**

15. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No
16. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.

The revenue from the licensing fee is used to fund the administration of the program.
