In accordance with Chapter 119 of the Revised Code (R.C.) and by authority of Revised Code 3748.04, the Director (Director) of the Ohio Department of Health (ODH), or his designee, shall conduct the following two rules hearings. The hearings will take place at the time, date, and place listed above, and they are open to the public.

HEARING #1: By authority of R.C. 3721.04 and in compliance with 129 Am. Sub. HB 487, the Director proposes to amend O.A.C. rule 3701-17-08. This rule pertains to nursing home personnel requirements. The rule amendment requires a nursing home with 121 beds or more to have a full-time social worker on staff, and for each nursing home to meet the social service needs of its residents. Facilities with 120 beds or fewer are required, in the amended rule, to have social services staff to provide for the medically-related social service needs of residents; however, the provision requiring a social worker either part-time or as a consultant is removed.

HEARING #2: By authority of R.C. 3748.04, the Director proposes to rescind Ohio Administrative Code (O.A.C.) rule 3701-39-02.1. This rule pertains to industrial radiographic operations. ODH proposes to rescind the rule because it has been superseded by O.A.C. Chapter 3701:1-43.

At the hearings, people affected by the proposed actions may appear and be heard in person, by an attorney or both; may present their positions, arguments, or contentions orally or in writing; may offer witnesses; and may present evidence tending to show that the proposed rules, if adopted or effectuated, will be unreasonable or unlawful.
