

**Public Hearing
Ohio Environmental Protection Agency
Five-Year Rule Review of Ohio Administrative Code (OAC) rule 3745-21-07
Revised Hearing Date**

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has performed a review of the above-referenced rule primarily to satisfy the requirements of Section 119.032 of the Ohio Revised Code (five-year review). This notice is also given to advise the public of the revised hearing date for this rule which has been scheduled for March 1, 2006. This meeting replaces the previously advertised hearing scheduled for this rule. The time and location are detailed below.

DAPC is proposing changes to the current rule to: (a) limit its continued applicability to emissions units that have been required to install controls, or employ control measures pursuant to the existing rule and (b) maintain the requirements of paragraph (G)(1) in the current rule. The number of changes being made require that the existing rule be rescinded, and a new rule be proposed in its place.

DAPC has found OAC rule 3745-21-07 "Control of emissions of organic materials from stationary sources (i.e., emissions that are not regulated by rule 3745-21-09, 3745-21-12, 3745-21-13, 3745-21-13, 3745-21-14, 3745-21-15, or 3745-21-16 of the Administrative Code)" continues to be necessary, but with significant applicability changes.

Pursuant to Section 121.39 of the Ohio Revised Code, DAPC was required to consult with interested parties affected by the rule before the division formally proposes them. On June 28, 2005, these rules went out for a 30-day review by interested parties.

Pursuant to Section 119.03 of the Ohio Revised Code, a public hearing on these rule changes will be conducted on March 1, 2006 at 3:00 p.m., in Conference Room A, 5th Floor at Ohio EPA, Lazarus Government Center, 122 South Front Street, Columbus, Ohio.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. This comment period has been extended from the previously published date due to the revised hearing schedule. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on March 2, 2006, will be considered by Ohio EPA prior to final action on this rule. Written statements submitted after March 2, 2006, may be considered as time and circumstances permit, but will not be part of the official record of the hearing.
