

Public Notice
Ohio Environmental Protection Agency
Proposed amendment of
Ohio Administrative Code (OAC) rule 3745-18-82

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) proposes to amend Ohio Administrative Code (OAC) rule 3745-18-82, Stark county emission limits. The amendments are being proposed to correct the emission limitation for Canton Drop Forge, boiler number one, from 5.0 pounds of sulfur dioxide per MM Btu actual heat input to 2.5 pounds of sulfur dioxide per MM Btu actual heat input. This correction was brought to the attention of Ohio EPA by Canton Drop Forge and is consistent with the most recent attainment demonstration for sulfur dioxide in Stark County.

Pursuant to Section 121.39 of the Ohio Revised Code, DAPC was required to consult with interested parties affected by the rule before the division formally adopts them. Due to the administrative nature of this revision, this correction was not released as a draft for interested party review. Ohio EPA will, however, be accepting comments on the proposed rule language. Please see below for details.

Pursuant to Section 119.03 of the Ohio Revised Code, a public hearing on these rule changes will be conducted on Thursday, October 11, 2007 at 10:00 a.m., in conference room D at Ohio EPA, Lazarus Government Center, 50 W. Town Street, Suite 700, Columbus, Ohio.

Pursuant to Part D of Title I of the Clean Air Act, Ohio EPA is required to establish a state implementation plan (SIP) for the attainment and maintenance of the national ambient air quality standards (NAAQS). The above mentioned rules are a part of Ohio's SIP and the proposed amendments will be submitted to USEPA as a modification of the SIP. The above mentioned hearing shall be considered the public hearing for the SIP submittal.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on October 11, 2007, will be considered by Ohio EPA prior to final action on this rule. Written statements submitted after October 11, 2007, may be considered as time and circumstances permit, but will not be part of the official record of the hearing.
