Pursuant to sections 5103.03, 5153.16, 5101.141 and Chapter 119. of the Ohio Revised Code, the director of the Ohio Department of Job and Family Services gives notice of the department's intent to consider the amendment of the rule as identified below and of a public hearing thereon. The rule is proposed for amendment as a result of a Federal requirement under sections 453, 454(8), and 471 of the Social Security Act.

Ohio Administrative Code (OAC) rule 5101:2-47-08, entitled "Required application/update for Title IV-D (child support) services and referrals to Title IV-A (public assistance): healthchek; third party insurance; and supplemental security income (SSI)" has been revised to outline the interface between the Statewide Automated Child Welfare Information System (SACWIS) and the Support Enforcement Tracking System (SETS). Included in this rule amendment is information regarding the State child support agency authorized under Title IV-D and State child welfare agency authorized under title IV-E regarding the child support agency's authority to share Federal and case information with the State child welfare agency through a request for referrals and electronic system interface process. This rule outlines the responsibilities for the administration of the Title IV-E Foster Care Maintenance (FCM) program and the Title IV-D Child Support program. Language was added to require the Title IV-E agency to make child support referrals for title IV-E eligible children through the statewide automated child welfare information system (SACWIS). The use of form JFS 01435 "Title IV-E Agency Application/Updates for Child Support Services" (rev. 4/2006) was removed from the rule as the form is now obsolete as well as form JFS 01435-I, "Instructions for Completing the JFS 01435 Title IV-E Agency Application/Update for Child Support Services" (rev. 4/2006).

A copy of the proposed rule is available, without charge, to any person affected by the rule at the address listed below.
