Operations Support Center Parole Board Hearing Room

Hearing Officer: Ashley Parriman, Esq.**

**AGENDA**

ODRC will conduct a public hearing to obtain comments concerning ODRC's proposed promulgation of the following Administrative Rule as required by Section 119.03 of the Ohio Revised Code:

- 5120-15-01 Certification of qualification for employment

This rule is being proposed pursuant to new legislation under R.C. 2953.25. The rule's changes clarify the process for filing a petition for a certificate of qualification of employment, establish criteria to allow for early applications for a certificate of qualification for employment, and change the information that the petition shall include from the name or type of each collateral sanction for which the individual is requesting a certificate of qualification for employment to a general statement as to why the individual has filed the petition and how the certificate would assist the individual. The changes further require ODRC to review the certificates to identify those subject to revocation, maintain a database of granted and revoked certificates, and create a report summarizing the database information and make it available on its internet web site. Any person may direct written comments or requests for information concerning the proposed actions to Ashley Parriman at the Department on or before the date of the hearing by writing to Ashley Parriman, Staff Counsel, Division of Legal Services, 770 West Broad Street, Columbus Ohio 43222 or by emailing to [ashley.parriman@odrc.state.oh.us](mailto:ashley.parriman@odrc.state.oh.us).
