Rule 5160-1-60, "Medicaid payment," sets forth payment policies for services furnished by many professional, non-institutional providers. This rule contains ODM's methodology for establishing rates for new procedures. The appendix to this rule is being amended to incorporate the following changes:

The 2020 Current Procedural Terminology (CPT) and Healthcare Common Procedure Coding System (HCPCS) coding annual updates are added. These updates—addition of new codes with maximum payment amounts, discontinuation of obsolete codes—were published on a separate table and became effective on January 1, 2020. The methodology for these rates is contained in the body of this rule and is based on federal rates that went into effect on January 1, 2020.

Pursuant to Section twelve of Am. Sub. H. B. No. 197 ODM will hold the public hearing for this rule package via teleconference. The phone number and pin and the date and time for this hearing are listed at the top of this Notice. All interested parties are invited to participate in the public hearing.
