Pursuant to Chapter 119. and section 5164.02 of the Ohio Revised Code, the director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the amendment of the rule identified below and to hold a public hearing on this rule.

Rule 5160-4-04, "Advanced practice registered nurse (APRN) services," sets forth coverage and payment policy for services provided by an advanced practice registered nurse. As a result of systematic review carried out in accordance with Section 106.03 of the Ohio Revised Code (ORC), this rule is being amended and given the tagline "Services provided by an advanced practice registered nurse (APRN)."

Several changes should be noted:

- Medicaid enrollment is restated as a provider characteristic rather than a provider requirement. Medicaid provider rules apply only to entities that have already completed the enrollment process.
- Phrasing is modified to make it clearer that that living within the borders of Ohio is not a precondition for receiving APRN services.
- A prohibition against submitting duplicative claims is recast as a specification of which payment is subject to recovery if duplicative claims are submitted.

ODM will hold the public hearing for this rule package via teleconference and in person. All in-person attendees are required to follow ODM health and safety protocols, including undergoing a temperature check when entering the building and wearing a face mask and practicing social distancing while inside.

The date and time for the public hearing are listed at the top of this Notice, as well as the teleconference phone number, PIN (access code), online meeting link, and physical location. All interested parties are invited to participate in the public hearing. Both oral and written testimony will be accepted for this hearing and will be given the same consideration. Persons who want to give oral testimony are asked to send a message by e-mail to rules@medicaid.ohio.gov no later than one hour before the hearing to be added to the witness list. There will be a final call at the end of the hearing for persons who wish to offer oral testimony but do not yet appear on the witness list.

Written comments submitted by e-mail, postal mail, or fax that are received or postmarked no later than the day of the hearing will be accepted as testimony and will become part of the hearing record. All testimony will become public record; therefore, ODM asks that protected health information (PHI) be excluded unless the information belongs to the person submitting the testimony or to a person for which the submitter is a legal guardian. Written testimony sent by e-mail is highly recommended. All persons who submit testimony by e-mail will be sent a confirmation of receipt.
