Pursuant to Chapter 119. and section 5164.02 of the Ohio Revised Code, the Director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the amendment of the rule identified below and to hold a public hearing thereon.

Rule 5160-8-11, "Spinal manipulation and related diagnostic imaging services," sets forth coverage and payment provisions for chiropractic services. This rule is being amended to establish coverage for evaluation and management services performed by a chiropractor or mechanotherapist, as required by H.B. 136 (134th G.A.).

ODM will hold the public hearing for this rule package via teleconference and in-person. All in-person attendees are required to follow Lazarus building COVID-19 safety protocols when inside the ODM office. ODM will not require masks for individuals entering the building. However, visitors are welcome to wear masks if that is their preference. Masks are encouraged if visitors are not up to date with vaccine and boosters, have an immune disorder, or chronic medical condition(s). ODM encourages social distancing in all areas of the office. The date and time for the public hearing are listed at the top of this Notice as well as the phone number, PIN (access code), and link for teleconference attendance, and location for in-person attendance.

All interested parties are invited to participate in the public hearing. Both oral and written testimony will be accepted for this hearing and will be given the same consideration. Persons who want to give oral testimony are asked to send a message by e-mail to Rules@medicaid.ohio.gov no later than one hour before the hearing to be added to the witness list. Those attending in person can be added to the witness list at the hearing. There will be a final call at the end of the hearing for persons who wish to offer oral testimony but are not yet on the witness list.

Written comments submitted by e-mail, postal mail, or fax that are received or postmarked no later than the day of the hearing will be accepted as testimony and will become part of the hearing record. All testimony will become public record; therefore, ODM asks that protected health information (PHI) be excluded unless the information belongs to the person submitting the testimony or to a person for which the submitter is a legal guardian. Written testimony sent by e-mail is highly recommended. All persons who submit testimony by e-mail will be sent a confirmation of receipt.
