Pursuant to Chapter 119. and Section 5164.02 of the Revised Code, the Director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the amendment of the rule identified below and of a public hearing thereon.

Ohio Administrative Code (OAC) Rule 5160-2-65, entitled "**Inpatient hospital reimbursement**," is being proposed for amendment. This rule sets forth the Medicaid inpatient hospital reimbursement methodology for hospitals subject to prospective payment. Ohio's biennial 2024/2025 budget enacted under Am. Sub. H.B. No. 33 of the 135th General Assembly included provisions to update inpatient hospital reimbursement. The department is proposing to rebase hospital base rates and recalibrate relative weights for the All-Patient Diagnostic Related Groups (APR-DRGs). Additionally, the department is proposing to implement the following changes:

- Increase inpatient payments for behavioral health (BH) and substance use disorder (SUD) services provided by freestanding psychiatric hospitals (FSPs) and acute care general hospitals.
- Improve inpatient cost coverage for FSPs and acute care general hospitals providing BH/SUD services.
- Migrate inpatient payments for BH and SUD services provided by FSPs from the APR-DRG payment methodology to a per diem payment methodology derived from the APR-DRG system. As a transitional step, freestanding psychiatric hospitals will be paid based on the APR-DRG methodology.
- Institute a single capital add-on rate for inpatient fee-for-service (FFS) and managed care discharges.
- Increase reimbursement for neonate APR-DRGs with major or extreme severity of illness (SOI).
- Continue to reform the outlier methodology, specifically targeting teaching and children's hospitals with the highest number of outliers.
- Remove the peer risk corridors.
- Update various rule references.

ODM will hold the public hearing for this rule package via teleconference and in person. ODM will not require masks for individuals attending in person. However, visitors are welcome to wear masks if that is their preference. The date and time for the public hearing are listed at the top of

this Notice as well as the phone number, PIN (access code), and link for teleconference attendance, and location for in-person attendance.

All interested parties are invited to participate in the public hearing. Both oral and written testimony will be accepted for this hearing and will be given the same consideration. Persons who want to give oral testimony are asked to send a message by e-mail to Rules@medicaid.ohio.gov no later than one hour before the hearing to be added to the witness list. Those attending in person can be added to the witness list at the hearing. There will be a final call at the end of the hearing for persons who wish to offer oral testimony but are not yet on the witness list.

Written comments submitted in-person, by e-mail, postal mail, or fax that are received or postmarked no later than the day of the hearing will be accepted as testimony and will become part of the hearing record. All testimony will become public record; therefore, ODM asks that protected health information (PHI) be excluded unless the information belongs to the person submitting the testimony or to a person for which the submitter is a legal guardian. Written testimony sent by e-mail is highly recommended. All persons who submit testimony by e-mail will be sent a confirmation of receipt.

A copy of the proposed rule is available, without charge, to any person at the address listed below. The rule is also available on the internet at <http://www.registerofohio.state.oh.us/>. Requests for a copy of the proposed rule or comments on the rule should be submitted by mail to the Ohio Department of Medicaid, Office of Legal Counsel, 50 W.
