

PUBLIC NOTICE

The Ohio Department of Agriculture will hold a public hearing for the purpose of accepting testimony on the proposed amendments made to rule 901:1-18-01 of the Ohio Administrative Code.

The rules in Chapter 901:1-18 of the Ohio Administrative Code outline the rules and requirements for animals which are imported into or moved within Ohio for exhibition purposes. Pursuant to section 941.02 of the Revised Code, the Department, through the Chief of the Division of Animal Health, shall promote and protect the livestock, poultry, and other animal interests of the state, prevent the spread of dangerously contagious or infectious disease, provide for the control and eradication of such disease, and to cooperate with the United States department of agriculture in such work. The rules of this chapter meet this directive. More specifically, the rules outline the disease testing requirements as well as proof of ownership of all animals coming into Ohio. These rules are necessary in ensuring that all animals in the state of Ohio remain disease free.

OAC Rule 901:1-18-01 states that animals when moved within or imported into Ohio solely for exhibition purposes shall comply with the rules of the Chapter.
