Hearing Report and Summary

Consolidated Summary of Comments Received

Please review all comments received and complete a consolidated summary paragraph of the comments and indicate the rule number(s).

Many of the commenters asked for additional reimbursement for home health services and private duty nursing. Comments also proposed changes to the reimbursement methodology for these services.

In addition, some commenters suggested elimination of the RN Assessment and RN Consultation services. Commenters also suggested that the definition of skilled nursing services in home health be expanded to include the tasks performed during these services.

Some commenters supported changes allowing advance practice registered nurses to order home health and private duty nursing services. Commenters also supported the rule modifications allowing the use of telehealth as clinically appropriate when providing these services.

Hearing Report and Summary

Incorporated Comments into Rule(s)

Indicate how comments received during the hearing process were incorporated into the rule(s).
If no comments were incorporated, explain why not.

No changes were made as a result of these comments. Rule changes in this package were limited to extending flexibilities extended during the COVID-19 pandemic. Issues raised by the commenters were outside the scope of these changes but will be considered during the upcoming comprehensive rule review.
