Thank you for reviewing the above referenced proposed amended/new rules. The Ohio Department of Mental (ODMH) has reviewed the Common Sense Initiative review in which your staff recommended no changes, but noted a potential inaccuracy with the Business Impact Analysis (BIA). ODMH has revised BIA Question # 3 in order to remove any potential inaccuracy and clarify the role of the Centers of Medicare and Medicaid Services as it relates to the proposed new service. ODMH will revise file the rule with this change as well as other revisions previously reviewed by your office.
