Re: Updating References and Cleaning-Up Language

Date: October 2, 2013 (*Revised on October 30, 2013*)

Thank you for reviewing ODA's proposed amendments to rules 173-3-06, 173-13-04, 173-14-01, 173-43-01, 173-43-02, 173-43-03, 173-43-04, 173-43-05, 173-44-04, 173-45-01, 173-45-08, and 173-50-01 of the Administrative Code.

Because the CSI Office did not recommend any changes, ODA will now proceed with filing the above mentioned rule proposals with JCARR.

Thanks, again, for your work.

On October 30, 2013, ODA revised the "rule amplifies" information in rule 173-3-06 of the Administrative Code correct a typographical error.

On October 30, 2013, after a JCARR rules analyst recommended that ODA delete occurrences of "as amended (until the effective date of this rule)" from ODA's rules when referring to certain federal acts—which would still allow ODA to comply with section 121.75 of the Revised Code--ODA deleted the phrase from paragraph (A) of rule 173-13-04 of the Administrative Code and paragraphs (R)(1)(b), (R)(1)(e), and (JJ) of rule 173-14-01 of the Administrative Code.

None of ODA's revisions on October 30, 2013 change any rule's adverse impact or the BIA for this rule package.
