RE: CSI Review – Military Occupational Licensing Accommodations
ERF Package #116697

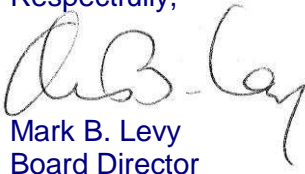

Thank you for your no-changes recommendation dated March 3, 2014.

The Board further reviewed the rule package at its regular meeting on March 11, 2014, and determined to move forward with the package.

We will thus complete the formal filing and prepare for public hearing in April.

Thank you for your kind assistance in this regard.

Respectfully,

Mark B. Levy
Board Director
