CSI has reviewed the ODSA PIPP rules and the PUCO has completed its review process so that both agencies are now ready to move forward with the rule filing process. On March 4, 2014, CSI sent a memorandum to ODSA stating that it had no recommendations for the rule package and that ODSA should proceed to file the rule package with the Joint Committee on Agency Rule Review (JCARR). Therefore, ODSA will proceed and file these rules with JCARR.
