RE: CSI Review – Five-year Rule Review (OAC 4779-9-01, 4779-11-01 through 4779-11-12, 4779-12-01, 4779-13-01 through 4779-13-05)

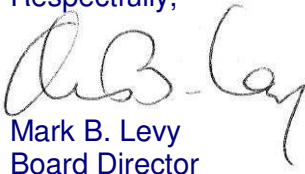

Thank you for your no-changes recommendation dated March 23, 2015.

As I had indicated previously, the Board has already provided approval to move forward with the package after further review and consideration at its meetings of December 09, 2014 and March 03, 2015.

We will thus complete the formal filing and prepare for public hearing and completion of the JCARR process.

Thank you for your kind assistance in this regard.

Respectfully,

Mark B. Levy
Board Director
