RE: O.A.C. Rule 3701-17-52.1 - Expedited Initial Licensure Inspections in
Residential Care Facilities

DATE: May 11, 2015

We appreciate CSI's review of amended O.A.C. rule 3701-17-52.1 pertaining to expedited initial licensure inspections in Residential Care Facilities. The Ohio Public Health Advisory Board also recommended going forward with the rule; ODH plans to original file the rule with JCARR this month, with a prospective Public Hearing in June or July.
